### AWARD

A reference under clause (d) of sub-section (1) and sub section (2A) of Section 10 of the Industrial Disputes Act, 1947(in short the Act) was received from the Central Government, Ministry of Labour and Employment for adjudication vide letter No.L-11012/15/2014-IR(CM-I) dated 24.02.2014 for adjudication of an industrial dispute with the following terms:

‘Whether the action of the management of Air India Charters Limited in not acceding to Air India Charters Cabin Crew Union’s demands such as (1)Regularization of the services of cabin crew, (2) Dearness allowance matching with cost of living, (3) House Rent Allowance of rent-free accommodation, (4) Deputation form manning wide body aircraft, (5) Full fledged medical benefits and (6) Passage (Free/concessional travel) entitlements is legal and justified? To what relief are the cabin crew entitled to?’

2. Claim statement was filed by the claimant union with the avements that the union named Air India Charters Cabin Crew Union is a registered trade union registered with Registrar Trade Union Delhi vide registration No.RTU/16/NDD dated 06.04.2011 under the provisions of Trade Union Act, 1926. The said union is the only trade union working for welfare of the workmen working with M/s Air India Charters Ltd. Air India . Air India Charters Ltd. (hereinafter referred to as Management No.) is subsidiary of Air India Ltd.(hereinafter referred to as management No.2)having its primary functions to operate the flights to carry passengers not only perpetual succession is a key feature of a company, including management No.1. Management No.1 has employed about 500 cabin crew for smooth operation of their flights and providing other facilities to their passengers. Job of cabin crew is essential and integral part of job of flight operation hence cabin crew is also permanent in nature. The practice of offering jobs initially for a period of 5 years and thereafter granting extension is totally arbitrary, unjustified and illogical, specially in view of the fact that the cabin crew in management No.2 is offered job on regular basis. The necessity of having regular cabin crew in the management is further substantiated by the fact that all the cabin crew are given extensions on completion of initial period of contract., except in a few case on grounds of disciplinary action. Management, of late, have introduced wide bodied aircrafts in the company’s fleet for which different sets of cabin crew have been recruited on better terms and conditions . The qualification and other eligibility criteria of cabin crew for the wide bodied aircrafts being the same , the existing cabin crew should have been considered first especially in view of the fact that Board of Directors of the management in its 159<sup>th</sup> meeting had approved deputing sixty existing cabin crew to operate the wide bodied aircrafts. Finally, it has been prayed that services of cabin crew may be regularized from the dates of their respective initial engagement and for grant dearness allowance matching with the cost of living, house rent allowance or rent free accommodation, full fledged medical benefits to the staff of management No.1, facilities of deputation for manning wide body aircrafts and passes (free and concessional travel) to the employees alongwith their family members.

3. Written statement was filed on behalf of management No.1 taking various preliminary objections, inter alia of late filing of statement of claim, claim being referred without application of mind, non service of demand notice, the case not being espoused by the union, regularization of the cabin crew being a policy matter and non-service of demand notice. On merits, the management has denied the material averments contained in the statement of claim. Finally, it has been prayed that the claim may be dismissed.

4. Management No.2, despite affording several opportunities failed to put in its appearance and hence was finally proceeded ex-parte on 10.03.2016.

5. Based on the pleadings of the parties, this Tribunal vide order dated 11.01.2017, framed the following issues and the case was then listed for evidence of the claimant union:

- (i) Whether the reference is not legally in view of the preliminary objections?
- (ii) In terms of reference

6. Thereafter, claimant union opted to abstain from the proceedings. He abandoned the proceedings for good. It is evident that the claimant had opted not to prosecute his grievances against the managements. Thus, it seems that now

there remains no dispute between the claimant and the managements/the claimant union is no more interested in adjudication of the case on merits. In such eventuality, this Tribunal is left with no alternative but to pass a 'no claim award'. However, it is made clear that there is no adjudication of the case on merits, as such, claimant is still at liberty to agitate his cause in accordance with law. An award is, accordingly, passed. Let this award be sent to the appropriate Government, as required under Section 17 of the Industrial Disputes Act, 1947, for publication.

Brief facts giving rise to the reference petition are that Ministry of Labour, Govt. of India, vide letter No.L-11012/07/2016-IR(CM-I) dated 22.02.2016 referred the following dispute for adjudication under 10(2)(a) read with clause 1(d) of the Industrial Disputes Act, 1947(in short the Act), with the following terms:

'Whether termination of Shri Ravi Kant S/o Shri Ramesh Chand by the management of BWFS India Private Limited with effect from 27.06.2015 that too during pendency of an industrial dispute before the conciliation officer without complying with provisions of Industrial Disputes Act, 1947 is just, fair and legal? If not what relief the workman concerned is entitled to?'

2. Claim statement was filed by Shri Ravi Kant (hereinafter referred to as the claimant) with the averments that he was working with the management as loader since 11.11.2011 and his last drawn wages was Rs.8500.00. The claimant was not issued any letter of appointment. The claimant worked sincerely, honestly, his service record was satisfactory and he never gave any chance of complaint to the management. The management used to take 10 hours of work per day

but did not pay overtime wages to him. Despite repeated requests, the claimant was also deprived of legal facilities by the management, i.e. he was not provided pay slip, casual leave, leave book, CA, Mobile expenses etc. Claimant's presence was marked in the attendance register and was paid wages on the wages register.

3. It is the case of the claimant that he was an active member of BWFS Karamchari union and he always participated in all the union activities. The claimant, alongwith other employees of the union, through the union had vile case for general demand before the Presiding Officer and the said case is still pending. This annoyed the management and ultimately the claimant was terminated from service without any rhyme or reason, without conducting any domestic enquiry against him. Thereafter, the claimant filed complaint before the Assistant Labour Commissioner (Central), who directed the management to reinstate the claimant and pay him his unpaid wages but the management neither reinstated him or paid him the unpaid wages. Thus, the management has violated provisions of Section 25-F, G and Section 33 of the Act; hence his termination is illegal and unjustified. Demand notice was sent to the management, which was duly received by the management. But the management neither replied to the said demand notice nor reinstated him on duty. The claimant has worked continuously with the management. The claimant neither abandoned his service nor resigned or was given any full and final settlement. The claimant is unemployed from the date of his termination. It is finally prayed that he may be reinstated in service with full back wages.

4. Written statement was filed by the management with the averments that the claimant was employed as loader and was on night duty on 25<sup>th</sup>/26<sup>th</sup> April, 2015 and was deployed at Belt No.09 in BBA area for flight No.TG-332 arriving from Bangkok. During the course of duty, the claimant opened the zip of luggage/baggage of a passenger with the sole intention of stealing costly goods and the same was captured in the CCTV. After committing the theft of goods, the same was kept in his pocket and during frisking by the CISF/vigilance staff found in his possession two earphones and matter was reported at the IGI Airport. The claimant admitted to have committed the theft. The claimant was served show cause notice dated 28.04.2015, to which no reply was filed by the claimant. Since it was clear admission by the claimant, no further evidence was required and accordingly, in terms of Clause 10 of the contract of his employment, his services were terminated. Hence, the claimant has concealed material facts in his statement of claim. However, management has admitted the fact that the claimant was in the employment of the management since 11.11.2011 and his last drawn wages was Rs.8500.00. Further, it is also denied that the claimant performed his duties sincerely and honestly or was made to work for 10 hours a day. It is also denied that the claimant was an active member of the Union or that he has filed any general demand before the Hon'ble Court. Management has denied the other material averments made in the statement of claim.

5. In the meanwhile, claimant sought time for impleading Delhi International Airport (P) Ltd. as a party to the dispute. Having regard to the pleadings of the parties and the fact that Delhi International Airport (P) Ltd. is the principal employer, as such, this court was of the considered opinion that impleadment of Delhi International Airport (P) Ltd. is necessary as a co-respondent. It is well settled position in law that this court, in such types of proceedings, can implead a person or a legal entity as a party if the same is necessary for proper adjudication of the controversy. In view of this, Delhi International Airport (P) Ltd. was allowed to be impleaded as a co-respondent and the claimant was afforded an opportunity to file amended statement of claim. But despite affording of various opportunities, the claimant failed to file amended statement of claim. Thus, it is apparent, that the claimant is no more interested in pursuing the case on merits. In such eventuality, this Tribunal is left with no alternative but to pass a 'no claim award'. However, it is made clear that there is no adjudication of the case on merits, as such, claimant is still at liberty to agitate his cause in accordance with law. An award is, accordingly, passed. Let this award be sent to the appropriate Government, as required under Section 17 of the Industrial Disputes Act, 1947, for publication.

**AWARD**

1 By order No. L-30012/130/97-IR(C-I) dated 21.04.1999 the Central Government in the Ministry of Labour, New Delhi in exercise of powers conferred by clause (d) of sub section (1) and sub section (2A) of Section 10 of the Industrial Disputes Act, 1947 (14 of 1947) referred this industrial dispute between Sri DK Gupta S/o Sri JP Gupta and the General Manager, GAIL, Noida for adjudication.

2. The reference under adjudication is:

**“ KYA SRI DK GUPTA JO APRIL 1991 SE JUNE 1995 TAK GAS AUTHORITY OF INDIA ME KARYARAT THE UKT PRABANDHTANTRA KE SEEDHE KARMKAR THE ATHWA THEKEDAR KE JABKI THEKA 30.09.1994 KO SAMAPTA HO GAYA? 3. The workman in his claim statement W-2 dated 20.04.2000, has stated in brief that after having cleared Intermediate examination with Science subject, he was appointed in the office of the opposite party through an agency in the year 1989 and was directed to work as Radio Operator and Despatch Clerk at Guna Madhya Pradesh, he has worked there under the subordination of Mr. Nigam in the year 1990, he has worked there upto 1991 and thereafter in April 1991 he was transferred to Noida to work as Receipt-Despatch Clerk, and has continuously worked there till 30.06.1995. The petitioner has asserted that the workman was directed to perform his duties in general shift but after few years another employee Sri P.S. Rawat was also deputed with him and thereafter the work was taken into two shifts. The petitioner was required to sign a separate attendance register and that was checked regularly per month by Sri AK Rawat an Engineer of GAIL, he was paid through cheque after affixing stamp on the vouchers.

4. The workman has stressed that he was required to work in the office of the opposite party, from 6A.M. to 2 P.M or 2 P.M to 10 P.M, regularly per day and used to perform his duties for receiving and sending the office Dak alongwith other employees. After making relevant entries in the concerned register for all the letters received by him he got them delivered to the appropriate place in the office and similarly the letters and Dak to be dispatched were duly entered in the register and was sent through post/courier. He was paid Rs.1500/- as monthly salary and his signature was obtained on the vouchers, no letter regarding termination of his services was ever given to him. The workman has asserted that he has made oral request for regularization several times but without assigning any reason and without

payment of any compensation in lieu of retrenchment or without serving any notice, he was denied to perform any duty w.e.f. 01.07.1995 while Sri P.S. Rawat was working even then. Violation of Section 25G & 25H of the I.D. Act has been alleged by the petitioner. With the aforesaid pleadings request has made by the petitioner to declare his service termination order dt. 01.07.95 as illegal, and to get him reinstated in the services like other employees. Request for regular pay scale etc. has also been made by him.

5. Several documents have been annexed with the claim statement.

6. The management in its written statement M-46 has denied allegations leveled by the petitioner. Opposite party has stated that its activities are related to sovereign functions of the Government and is covered under the exclusion clause of the I.D. Act. The reference order is not maintainable. The opposite party has pointed out that the concerned agency/contractor has not been arrayed as a party to the alleged dispute. 'Non joinder and 'Mis joinder' of the party has been alleged in the written statement. The opposite party has further asserted that the petitioner has not come with clean hands before the Tribunal, there was no employer and employee relationship between the parties and in fact the petitioner was an employee of the contractor. It has also been alleged that ALC, Dehradun in his FOC report has made it clear about the employee and employer relationship with the agency/contractor and therefore the reference order is bad in the eyes of law.

7. The opposite party has stressed that several project offices have been established at various places including that at Noida also and for smooth functioning of GAIL it has sufficient manpower in various categories and employees on its roll, it has got its own Service and Recruitment Rules beside the guidelines issued by the Govt. of India and all the appointments are made strictly according to recruitment Rules. Several reputed firms with whom the opposite party entered into agreement from time to time have been mentioned in the written statement and to fulfill all the contractual obligations, the contractor firm had deployed their own employees at various project offices upto their tenure of contract and they were directly under the control of the contractor and they were paid salary by their employers viz. contractor and therefore GAIL had absolutely no supervision or control over them. Further no contract is allowed beyond the specific period after the agreement and it comes to an end automatically on expiry of the period. It has been emphasized by the opposite party that the petitioner Sri DK Gupta was never engaged or appointed by the GAIL in any capacity and was never worked as Despatch Clerk, instead he was deputed by his employer contractor as Radio Operator as per the terms of the contract for specific period of the contract only.

8. The opposite party has further asserted that the petitioner did not pick up the work assigned by the opposite party, therefore the contractor/ his employer was requested through letter dt. 16.08.89, to replace Sri DK Gupta with experienced operator by 31.08.89. Several letters in this regard have been mentioned and annexed with written statement. The facts of the claim statement have been quoted by the opposite party as incorrect and misconceived. It has also been denied that the petitioner was ever required to work as Despatch Clerk in the project office of the GAIL and as matter of job requirement he was asked to maintain an out ward/ in ward call-receive-register and inform the person concerned. Several pronouncements of Hon'ble Supreme Court have also been referred in the written statement by the management. With the aforesaid averments, request has been made to reject the claim statement.

9. With strong denial of the contrary facts mentioned in the written statement, the workman has filed rejoinder M-51 reiterating the facts mentioned in the claim statement. Further certain documents have been annexed with the rejoinder.

10. The workman Sri DK Gupta has filed his affidavit in evidence, and has been cross examined. Affidavit of another witness Sri Ashwani Sharma (Chief Manager, GAIL) was adduced by the petitioner in evidence, as W-87, he was also cross examined on behalf of the management. Lastly Hand Writing Expert Sri Satish Dayal was asked on the request of the petitioner to submit his report. Report was filed alongwith affidavit W-99. He was comprehensively cross examined on behalf of the management.

11. Affidavit of Mr. Marianus Baa was filed by the management as M-62 alongwith certain annexures. He was cross examined on behalf of the workman.

12. Arguments of Learned Authorized Representatives of both the parties have been heard at length. Record has been scanned thoroughly.

13. The workman himself in claim statement W-2 has admitted that he was selected by an agency to work in the office of the opposite party management. However, he has further asserted that he has performed his duties under subordination of the management officers and has continuously worked for several years, but abruptly without assigning any reason and without giving any notice his services were terminated orally. In support of his assertion several documents have been filed by him. The management while refuting the claim of the workman has submitted that the petitioner was never appointed by GAIL or its officers rather contract agreement was entered by the GAIL with a Company for certain period, and that the Company employed the petitioner and offered his services to the GAIL. The

management has further submitted that the work and services of Sri DK Gupta was not found satisfactory and in this regard letter was sent by the management to the Contractor to recall Sri DK Gupta and send some other person in his place. The document of contract alongwith terms and conditions etc. have been filed by the management with the affidavit. Letter dated 26.07.1989 sent by the GAIL to the contractor has also been annexed as M-46/23 wherein it has been specifically mentioned that Sri DK Gupta was taken on trial basis for 15 days. Another letter dated 10.08.1989 (M-46/24) has also been filed where in the contractor has been asked by the GAIL to depute another experienced operator w.e.f. 31.08.1989 and Sri DK Gupta will not be working beyond that date. Further joining report dt. 01.09.1993 submitted by Sri DK Gupta has also been filed as M-46/27.

14. The workman Sri DK Gupta in his cross examination W-61 has admitted that he was appointed by an agency in the year 1989. Paper No. 46/27 has been admitted by him but he has further submitted that he was compelled and was also threatened. However, no FIR or formal complaint has been filed by the petitioner regarding the so called threatening. In his claim statement the petitioner has asserted that he had worked since the year 1989 (para 1) and in para 5 of the affidavit W-59, he has claimed to have worked w.e.f. 1991 to June 1995 it is a major inconsistency, which is not duly explained by the petitioner.

15. Sri Ashwani Sharma, Chief Manager, GAIL has been adduced in evidence by the petitioner but Sri Sharma has not supported the averments made by the petitioner. The work of Despatch Clerk as claimed by the petitioner, has not been corroborated by Sri A.Sharma. He has specifically denied the facts alleged regarding appointment of Sri DK Gupta (by GAIL) Signatures on several documents annexed with affidavit W-59 have been denied by Sri A. Sharma. Sri A Sharma has specifically asserted that he could not identify the workman in the court. Recruitment process as conducted by GAIL has also been elaborated in his cross examination.

16. The Hand Writing Expert examined by the workman has relied upon the photo copies of the so called signatures. The expert has been thoroughly cross examined on behalf of the management. While Sri A. Sharma has not admitted his signatures, the authenticity and genuineness of the alleged signature can not be inferred. Hand Writing Expert report submitted by the opposite party in this regard, can not be legitimately and judiciously accepted by this court.

17. Learned AR for the workman has relied upon the following Rulings;

  - v) 2001 (91) FLR, SC Steel Authority of India Vs. National Union Water Front Workers, paras 61 to 116.
20. Learned AR for the workman asserts that the aforesaid Rulings do not apply to the facts of the present case.
21. On comparative analysis and thorough scrutiny of the oral as well as documentary evidence available on record, following substantial points emerge:-
- A) Undoubtedly the workman neither applied for any post duly advertised by the GAIL/Opposite party, nor he was recruited by the office of GAIL as per the established procedure laid down by the GAIL management.
  - B) The workman was an employee of some private company/contractor and this fact is also admitted by the petitioner in his claim statement.
  - C) There was a time bound contract agreement/term settlement between the GAIL management and the private. Contractor/company(relevant documents pertaining to the contract- agreement have been filed on record).
  - D) After termination of the period mentioned under the contract, the said pvt. Company/contractor or its employees can not be treated as genuine party to the matter in issue, under the I.D. Act.
  - E) It has been proved beyond the doubt that during the period of the contract, the GAIL management has informed the aforesaid company/contractor vide its letter dated 16.08.1989 that the work of the petitioner

Sri DK Gupta was not found satisfactory and some other experienced operator was required by the GAIL to be deputed in his place by 31.08.1989, and the petitioner will not be working beyond that date.

- F) The management has admitted that the GAIL administration, after the expiry of the tenure of the contract during the year 1990, on certain terms and conditions, extended the tenure upto 31.08.1993 only, but this admission does not automatically substantiate or support the ground taken by the petitioner.
- G) The contractor/company had informed the management vide letter dated 16.03.1994 that full and final payment to its entire operators have been made (of course including the petitioner.).

22. After having heard the intellect argument of both the Learned Authorised Representatives of the parties at length, on perusal of the record of the case, in the light of the pronouncements of the Hon'ble Supreme Court/ Hon'ble High Courts it is inferred that the petitioner has miserably failed to prove his case and the alleged termination order dated 01.07.1995 can not be treated as illegal or improper. The petitioner workman is not entitled to any relief.

23. Award accordingly.

### AWARD

The Government of India/Ministry of Labour, New Delhi by reference adjudication Order No. L-30012/54/98–IR(C-I) dated 21.01.1999 referred the dispute for adjudication to the Industrial Tribunal, Ahmedabad (Gujarat) in respect of the matter specified in the Schedule:

### SCHEDULE

“Whether the demand of the Employees Union regarding promotion to the post of Topman with last date of Rigman workers who have completed 4 years of service is justified? If yes, then to what relief the concerned workers are entitled to and from which date?”

1. The reference dates back to 21.01.1999. The second party union Rigman and Topman Association submitted the statement of claim Ex. 3 on 15.02.1999 along with number of documents. The first party submitted the written statement Ex. 11 on 17.10.2000. Since then the second party union did not prefer to lead evidence despite giving number of last opportunities. Thus it appears that the second party union is not willing to prosecute the case.

2. Thus the reference in the absence of the evidence of the second party union is disposed of with the observation as under: “the demand of the Employees Union regarding promotion to the post of Topman with last date of Rigman workers who have completed 4 years of service cannot be said to be justified.”
